(A) Policy statement

The university recognizes a student’s right to due process. This policy addresses academic grievances only. Academic grievances are complaints brought by students regarding the university’s provision of education and academic services affecting their roles as students. Academic grievances must be based on a university rule, policy, or established practice claimed to be violated.

(B) Purpose of policy

The purpose of the policy is to recognize the student's right to due process.

(C) Scope

This policy applies to all undergraduate students. Each college may publish detailed implementation strategies specific to that college. To comply with this policy, any materials used to calculate grades should be maintained and available for review until the last day of the semester following the one in which the alleged grievance occurred (exceptions should be made for spring and summer semesters).
